

K Suchir Reddy Suchir

ksuchirreddy@gmail.com | +91 7899597757 | Bengaluru

CAREER OBJECTIVE

Aspiring Machine Learning Engineer and AI enthusiast with strong skills in Python, SQL, and data-driven application development. Proficient in machine learning, deep learning, data analysis, and model deployment. Experienced in building predictive models and scalable AI solutions using modern framework.

EDUCATION

Bachelor of Engineering (B.E), Computer Science And Business Systems Dayananda Sagar College of Engineering, Bangalore	2023 - 2027
B.E, Computer Science And Business Systems Dayananda Sagar College of Engineering, Bangalore CGPA: 8.00/10	2023 - 2027
Senior Secondary (XII), Telengana State Board Of Intermediate Education Science Sri Chaitanya Pu College Percentage: 97.00%	2023
Secondary (X), CBSE DREAM WORLD SCHOOL, BELLARY Percentage: 80.00%	2021

PROJECTS

AI Powered Code Generator and Debugging System Jan 2026 - Mar 2026 Developed an AI-Powered Code Generator and Debugging System using generative AI and NLP techniques to generate code snippets and identify programming errors efficiently. Built an interactive platform that provides automated debugging, code optimization suggestions, and real-time assistance for faster and more reliable software development.	Pothole Tagging System Oct 2025 - Nov 2025 Developed a Pothole Tagging System using computer vision and machine learning techniques to detect and classify potholes from road images/videos Visualized processed data in Power BI through interactive dashboards published for reporting and insights.
AI Comment Toxicity Rewriter Jan 2025 - Mar 2025 Developed an AI Comment Toxicity Rewriter using NLP and machine learning techniques to detect toxic, offensive, and harmful comments in text data. Designed structured database models for efficient data handling and user interaction.	

SKILLS

• Python • Java • NumPy • Power BI • Git	• C# • Database Management System (DBMS) • TensorFlow • Amazon S3 • GitHub	• C Programming • Pandas • Machine Learning • MySQL
--	--	---

ADDITIONAL DETAILS

- Core Subjects: Data Structures, DBMS, Computer Networks, Generative AI, Machine Learning
- Certifications: Infosys Springboard - C, C++, Python, DSA | Udemy - Business Strategy, Analys | NPTEL - Affective Computing
